WoodLynne Trash & Recycling Collection Guide

We all want to keep our community beautiful and help make it a pleasant place to live! Lately, there have been instances where trash has been left out too early, trash cans are not picked up for days and hazardous materials are left outside for trash pickup. Please review these guidelines carefully, follow them closely and help keep WoodLynne beautiful.

American Disposal Services is our waste and recycling hauler. Please place your trash and recycling outside by 6 a.m. the day of pickup or after dusk the night before. Place recyclables in a marked recycling container, and garbage in a sturdy black bag or trash can. Double-bag trash that has food in it to dissuade birds and rodents. Your address must be clearly displayed on the outside of all recycling containers and trash cans. All empty trash cans and recycling containers must be brought back indoors or moved into your backyard the evening of collection day.

Collection Days:

Trash: Tuesday & Friday   Recycling: Tuesday
No Pickup: Thanksgiving, Christmas & New Year's Day

Acceptable/Unacceptable Items:

Trash: Trash collection is for everyday household waste only. Construction and remodeling debris are not considered household waste. Hazardous materials are not accepted. Special pickups for furniture, appliances, remodeling debris and other large, bulky items can be requested online at americandisposal.com/bulk-waste or by calling 703-368-0500. Alternatively, you can haul the materials to the dump.

Yard Debris: Yard debris is collected on Friday. Acceptable types of yard debris include grass clippings, leaves and tree limbs. Grass and leaves must be placed in clear plastic bags, brown paper bags or a container marked "Yard Waste." Tree limbs and brush should be bundled together using rope or twine. Each tree limb or piece of brush may not exceed 4' in length and 3" in diameter. Rocks, sod and dirt are not accepted.

Recycling: See the "Recycling Right In Fairfax County" document for guidelines.
