RE: 2021 Pool Season Rules Update

Dear CPCA/Woodlynne Residents,

I am pleased to announce that the CPCA/Woodlynne Pool Committee has approved to remove all restrictions that were put into place due to COVID-19.

Effective immediately the pool hours will change to:

Monday-Friday: 12pm-8pm
Saturday, Sunday, and Holidays: 11am-8pm

If you have NOT been vaccinated you will be required to wear a mask while in the pool facility.

Sanitizing stations and Plexiglas will stay in place and residents are encouraged to continue to practice social distancing. Residents will no longer have to leave the pool facility during the 30-minute cleaning breaks and there is no longer an occupancy limit.

Any residents that have not received their pool passes for the 2021, please contact the Management Office.

Guests will be permitted, **if you would like to request a guest pass, please send an EMAIL to Shayla Love, s.love@cardinalmanagementgroup.com**. Please ensure that you include in your email your name and address, so that we can assist you more efficiently.

Due to the cost of postage and to conserve time, ALL guest passes and **blue key chain** pool passes will be delivered to the lifeguard station **weekly**. Residents whose passes are left at the guard station will be sent an email confirmation including the date their passes will be available. ***All residents will be required to show proof of ID and must sign for the release of the passes.***

All children over the age of two (2) years old will need to have pool passes, if your child has not ever received a pass, please contact Management and we will issue the pass free of charge.

If you have any questions, please contact me via email, s.love@cardinalmanagementgroup.com or via phone (703) 565-5019.

Sincerely,
CPCA/WOODLYNNE POOL COMMITTEE
